

Downtown Parking

Updated
11.6.19

Updates

The north half of the California Street parking garage (closest to the Shasta College Downtown Campus) is now closed. Visit cityofredding.org/downtown to view the interactive map or download a PDF that will be updated as additional parking resources become available.

Enforcement

To support downtown businesses, the City will enforce the 2-hour on-street parking area signs highlighted in dark blue on the map below, **Monday - Friday 8am - 5pm**. Currently, all public parking lots and unsigned street parking spaces are available for free parking.
